The Christmas Proclamation:
Heaven is coming to earth and taking over!

The same Greek word is translated, I bring you good tidings of great joy... (the angel, Lk. 2:10), and I must proclaim the good news of the Kingdom of God (Jesus, Lk. 4:43). The root word is “evangelizo” literally, “evangelize.”
The birth of the baby is such good news because it is the first evidence that the proclamation is already coming true. The tide has turned. Evil is doomed!

Thank **KING JESUS** for the presents under this tree, and ask Him for some opportunities to give them away to people around you this Christmas season.
